## Presidents Corner

Fall is upon us and the temps are beginning to dip; it seems like ski season is just around the corner. Now is the time to think about getting those skis out and getting them tuned up. I know I am. I am hoping that all of you have signed up for one or 2 of the trips we have planned. I think that the Kimberley trip is an outstanding value. I hope to see most of you on this one. Watch for and read in the newsletter of other MDSC trips planned as well. The calendar is full again this month with things to do. Don't forget to renew your membership at this month's meeting; it will be your last chance for the renewal rate. Keep your newsletters coming so you can stay abreast of all the events.

There were some changes made last month to the calendar of events so I hope everyone read those and updated their personal calendars. I am looking forward to Ted's pub and La Fondue this month; these are a couple of my favorite places. If there are questions or comments or ideas, please let us on the board know of them. We try our best to put together good trips and fun events, but it takes you, the membership, to give us feedback to let us know how we are doing. Let us know by email or comments on the web or just talk to us at the meeting.

The articles that we include in the newsletter are informative and hopefully enjoyable. They are for your benefit and amusement; please help us help you. Let us know if there is something you see, that might be as helpful to the rest of the membership.

See you at the next meeting.
