Welcome New Members And The Ultimate Value

In the past month, the GM Ski Club has added ten new members. We would like to extend our warmest welcome to each of you and our hope you will find the club and all its members the friendliest, liveliest group on the planet.

There are many ways new members are attracted to the club. There is the internet; there is the MDSC, the tri-folds being left at area restaurants and sport shops. But far and away the most important source of new membership is from you, our existing membership. We're gratified that, as members you find enough value in the club to tell your friends about it. As an expression of the club's appreciation to you, our policy is to award you **a year of free membership for every three new members you recruit.**

Thus far, in the 2009-2010 membership year, the following people have referred the associated members to the club .

Each of these has recommended one person and has only two to go. How about you?? We would dearly love to award you an Ultimate Value Award before the year is out. If you know of someone looking for great activities and socialization, why not let them know about your club and invite them to any of our meetings and socials?

Think of it. You have an opportunity to turn a friend or loved one on to a great value and in turn receive that value yourself, free of charge. Now that, my friends, is the **"Ultimate Value."**

Once again, on behalf of all the GM Ski Club members and board, welcome to the club.

General Meeting January 14th

Standing Room Only

March 20, 2010 Wine Tasting Party

For the third consecutive year, in what has become a spring tradition, you are cordially invited to a very special wine tasting event on the evening of March 20, 2010. This will be a self-run event. We would ask everyone to bring a bottle of wine which you think is an interesting brand/brand/vintage to share with other people. When your

turn comes, you can tell the group a little about it; and we'll uncork it and pass it around.

The club will be providing a cheese/cracker/fruit platter as well as miscellaneous sundry items, party favors, and pizza. The cost is \$5.00 for members and \$10.00 for non-members. Also, if you would like to bring a dish to share, it would be much appreciated. All money collected will be used to pay for party extras.

Mingling opportunities: In addition to a great opportunity to learn about and enjoy great company and great conversation, while learning about great wines, wine-tasting parties are also great mingling opportunities for making new friends.

If you are interested, please mail a check payable to the GM Ski Club to the address below.

Please let me know as soon as possible if you are interested. I'd like to know:

What: Wine Tasting Party

Where: Darrell Ahlberg's house, 40377 Kraft Dr., Sterling Heights, MI 48310

Let me know if you need directions.

When: Saturday March 20. 7:00 - ???

Why: Good times, good friends, and good wine.

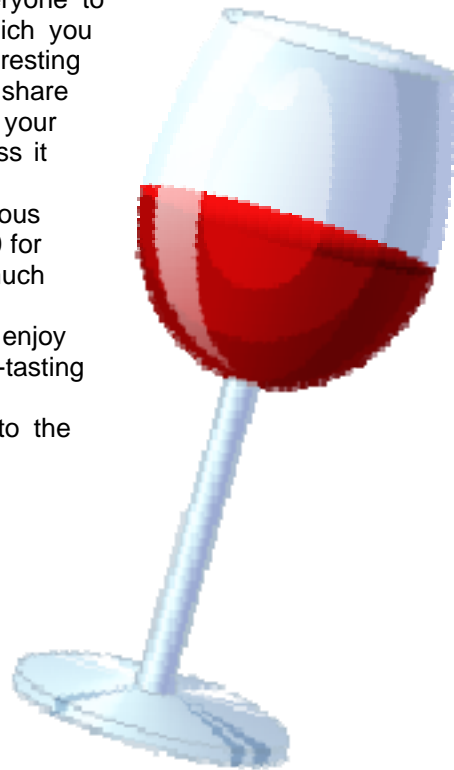

How: You make it a good party.

Announcing GMSC Members Only Game Night Party—Saturday April 17

Mark your calendars and save Saturday, April 17th aside for a very special night. We'll be having a party for GMSC members and their invited guests. Our club has had such explosive growth over the past two years, setting aside one night for us all to play together and become acquainted just seems like the thing to do.

So we'll have a party featuring a variety of games. There will be board games, card games, stand up games and a few surprises—all designed for a night of great fun.

As a member, you are welcome to invite a guest or two of your choice but it certainly is not required.

Other than being asked to bring a dish to share, there will be no charge for this event. However, RSVP is requested so we will know how many to expect.

Exact details on this party are still being formulated and announcements will be made as plans unfold. But for now, mark your calendars and plan on joining your fellow GMSC Members for a great night of fellowship and fun. This will be a great party for everybody. Hey, have we ever let you down?

GMSC Turns 96 Who Will Be 100?

No, we're not talking age. We're talking GMSC membership numbers. With the nine new members signed last month, membership now stands at 96. You, along with your fellow GMSC members, have been part of one of the most explosive club growths in recent memory. We hope you continue to find value in your membership.

We are planning to cross the "**century**" mark with a special celebration at the general meeting following the registration of that elusive 100th member. All attendees will be provided a special treat and the 100th member and his/her referring GMSC member will be specially honored. We request the honor of your presence when this occasion occurs. This will be more than just a celebration for lucky number 100, but it will be a celebration for everyone who has been a part of this club during this time of growth. Moreover, it will be a special tribute to those who have stuck with the club during the lean years.

So who will these special honorees be? I'm thinking it will be you and your friend. We will find out soon. Remember, even if you and your referred member turn out to be either number 99 or 101, you will still be winners. You, as a referring member, will be on your way to receiving Free Membership award (awarded to anyone referring three members). Your friend will benefit from being a member of the most active and dynamic club on the planet, and you will celebrate this momentous occasion together with your fellow GMSC members. It's a win-win for everybody.

Watch for future announcements. When the 100th person signs up, we'll announce it by sending flares and fireworks into the sky. And for those who miss this celestial extravaganza, we'll also be sending out e-mails. HOLY MOLY!

We look forward to you joining your club members in this extraordinary celebration. The only question left will be what we do for an encore when we reach number 150? Or Number 200? These numbers may not be too far into the future. We should start planning for it now.

Tips on affordable luxury hotels

There are many people who think that luxury hotels are only reserved for the very rich. Although there are some hotels that are really expensive there are also some other hotels that are available at some much more affordable cost. You only need to know where to search. In order to help you learn more on this I have written this short article on finding luxury hotels when on a budget.

If you are okay with some form of uncertainty then you can have a look at the last minute deals that are available on the internet. This will allow you to benefit from some of the unsold hotel rooms that are usually available at a heavily discounted price. If you are the kind of people that can get moving quickly with minimal planning then you can as well benefit from such kind of hotel bookings.

I will recommend you to make use of the net for all your reservations needs. Given that most hotels favor this kind of booking processes as it costs less, chances are that you will have better deals. Normally there are rebates and

other vouchers that are promptly available for reservations made on the net. You can also utilize a hotel review internet site (there is a horde of them on the net) so as to compare among the best hotel deals. Those that read French can check out this article on romantic luxury hotels (Voyages luxe) and package holidays in order to discover more on this.

It is also important to note that your choice of hotels can also influence on your budget. For instance there are some 4-stars hotels that offer some really good services-sometimes even better than 5-stars hotels. Normally they have renounced their ratings just because of monetary concerns. Choosing such a hotel can be rather interesting for you. Once you have tasted the joy of a luxury hotel you will never want to come back to your usual hotel. All in all the service is just amazing and the staff itself quite charming. They all contribute to make your stay as comfortable as possible. You will not regret it.

Wine + Music + Holiday Cheer = Christmas Karaoke

If you're looking for an evening of fun, music, and dancing, and all mixed with zany frolic, you need look no further than your friendly neighborhood karaoke party. At least that's how it is for GMSC people.

On the evening of Friday, December 18, some 40 GMSC Members and friends gathered for a Christmas karaoke bash at Darrell Ahlberg's house.

The idea came about on whim. Some friends decided to replace annual Christmas karaoke in a bar and have in a friendly atmosphere at someone's house. .

And what a dynamic night it turned out to be. There were some great singers who both mesmerized and charged up the crowd. Before long, this party started taking on a life of its own.

Darrell opened the night with the Buck Owens Classic country rocker, Santa Looked A Lot Like Daddy. After his little jump and shout, the real talent began to take over. Next thing you knew, there were sing alongs and dancing. The karaoke started about 7:30 and went until after midnight non-stop.

Being a private party, the atmosphere was very comfortable. People you'd always dreamed of seeing do such a thing, not only got up and actually sang, they did so in grand fashion. This caused notable shock on the faces of those who, heretofore, thought they knew these people well. Jan Burrows surprised everybody with a very sultry "Santa Baby". And the list just kept going on. Who'd have thunk it could ever happen??

Just about when you we beginning to think it couldn't get and better, the crowd went wild when the big man from the North Pole showed up with his bride in tow. That's right, Santa Clause, himself, in the persona of Rick Kuhn, brought the house down. Yep, the man in Red and White most of us only dream we'll one day meet showed up with his lovely bride, Barb right behind him backing up her man. Everyone was wanting to sit on his lap, express their wishes and spread some Christmas cheer.. Even the men. This not only brought on great uproarity, but also immediately put every male at the party under suspicion. Including the big man himself, who seemed to be having the time of his life.

There was a surprising wealth of talent in attendance who entertained not only with several old standards, such as Jingle Bells, White Christmas, Blue Christmas, Rudolph, Snoopy vs. Red Barron and many others . There these numbers also inspired impromptu sing-alongs, back up singers, and dancing. Although Christmas was the theme, singers were free to sing songs of any genre. Notable performances were Jim Walsh rousing the crowd with Soul Man, Dave Norkus bringing us his patented high stepping New York New York and Jenny Dietrich teamed up for a great version of "My Boyfriend's Back". And there were ever so many others.

Make no mistake, these were all brilliant performances. But none brought the house down like Michelle Pawl-Gerrick's rendition of Cabaret. This singular outstanding performance brought everyone into standing ovation for several minutes. The shocked look on her face from such an enthusiastic response was priceless.

Closing this article would not be appropriate before mentioning that a karaoke event such as this one could not possibly be successful without a wide variety of music to choose from. So special thanks are owed to Michelle Pawl-Gerrick and Karen Johnson-Arel for bringing their vast private collections of karaoke music for everyone to choose from and enjoy. On behalf of all party attendees, thank you for your invaluable contribution.

In sum, a good time was had by all in attendance. Indeed, some previously put off by the concept of karaoke were surprised at just how much fun karaoke can be. So a follow up next year is very likely. If you missed it this year, we hope to see you next year.
