23rd Annual Eastern Market Trek

Saturday morning May 14th brought together 24 members of the G M Ski Club. A little wet while driving in, but still warm and a taste of the summer to come. 8:30 am came and we assembled upstairs at Vivio's for our delightful and filling breakfast starting out with double Bloody Marys and a mimosa or 2. After our healthy breakfast and lots of socialization we headed out to buy our fresh vegetables and some plants for the garden. Oh, did I mention the stop at the wine store? A mere 2 cases this time around, and the 15% discount always helps. OK now on to the walking and exercising part. Strolling through the barns looking at all the home grown products that the farmers bring in for sale and taste testing some of the fruits as well, we made our way to Rocky's Peanut where we usually wind up before leaving the market area. This year we found ourselves on the short end of the stick with the management there. We may have to look for alternatives for next year.

We left the market with food and beverage and headed down to Emerald City Harbor for a little BBQ at the boat of Gregory R. Sitting on the boat gave us a glimpse at to what we can look forward to during the rest of the summer.

For those returning to this event year after year leads to great stories and little adventures that have taken place during our treks. For those that have come for the first time see another side of Detroit that they haven't experienced. A meal and new found friends that will last a life time.

We had a good time and I hope you will join us next year for our next adventure down to the market.

With the first quarter of 2011 a distant memory and the second quarter almost half done, you can look back and marvel at all the things you've done. I'm guessing there is something you've done with the club that you never thought about doing before. So enjoy the reminisce, but don't get too caught up looking back because we've got to get ready for the events coming up. In particular our weekend trips. As of this writing, we still have two openings for the Stratford weekend, eight spots for the Luddington Camping weekend, and several spots open for our Boyne Country adventure in Condo living. Looking Further down the road, we will have our Annual Bald Mountain Cabin Campout, and a new venture to Grand Rapids for the Art Prize Festival. In addition, the Trip Committee is working to plan several trips over the winter months. You can look for announcement of these trips shortly.

Every once in awhile, someone will ask me why, if we are a Ski Club, do we offer so many different types of events. The answer is as simple as it is fun. As you may have seen on many of our logos, we are a Ski Club..... And A Whole Lot More. And we strive to live up the latter part of the moniker. Everyone joins GM Ski Club for a reason. Some join to meet new friends, some join to meet that someone special, and some join for new experiences. That is why we seek to provide different types of activities. Perhaps not every activity we do is your cup of tea, but by attending the events you like, chances are you'll meet someone who likes the same thing you do. Perhaps make a new friend, and maybe even meet the special someone.

We have a lot of new board members this year and they are bringing fresh thoughts and ideas to the table and it has been refreshing. But we still need to hear from you. Bring your ideas to any board member. Let's get your idea on the calendar and let's find out who else likes the same things you do.

Sincerely,
Darrell Ahlberg

About the Newsletter

I know we have all become use to the high standard of the GM Newsletter, well things are about to change...

My name is Donna Hutchins and I recently became the person responsible for the Newsletter. Just like you I have enjoyed the content of the Newsletter, but never thought of writing any articles, I just enjoyed the pictures. Well you can understand my dilemma, So, I'm asking for help. I know we have certain people that always supply content, but I'm sure the rest of us have something to say. To make things easy for you, I've set up an email address so that you will always know where to send articles and pictures no matter who is doing the newsletter (who knows, after my first attempt I may be replaced). The email address is gmskinewsltr@yahoo.com just think GM Ski News Ltr, but run it all together.

Another thing I would like to add to the Newsletter is "special thanks" to people. I don't want someone sending in "thanks Les you were great Saturday night" that's a visual I just don't want. Seriously, what I'm talking about is a bunch of us really appreciated Dale Goolsby on the Lake Ann Cross Country Ski trip because he watched out for us less talented skiers. On a side note, Smokey the Bear wonders where all the cans came from...

I believe we should all laugh everyday, so please forgive any teasing I do in the newsletter, I'm not out to offend anyone. Please help me make this newsletter informative and fun.

NEW MEMBERS FOR JUNE

Gail Wilson — Saw something in the news about our organization and she likes to be active and socialize so she joined. She likes golf, tennis, travel sports and concerts.

Joe Yoblonski – Came to the monthly meeting on a motorcycle, that says a lot. He was in another group that likes to play cards and stuff, but he wants to be around people that want to have fun. Joe likes dancing, fishing and socializing, he's in the right group now!

Kathy Thornton – Heard about us from other groups, and thought we had more things going on. She has already attended some Pub & Grubs, Gleaners, etc. She enjoys outdoor activities, pickleball, walking, and just being active.

Suzanne Wasmundt – Heard about us from other clubs and decided to join because our group is very active. She enjoys socializing, after-work activities throughout the week, outdoor adventures, and our many other functions.

Glenda Garcia – Heard about us from friends, so she decided to join. She's looking for fun, likes water sports, canoeing, biking, skiing, and would like to take up golf again once she gets better (editor note: join the scramble we do with the club, don't have to golf well, just have fun).

Roger Darling – Been hanging out with us for about a year, met a girl and decided it was worth the money to join (editor note: I just think he wanted to save the \$2 charge on the hotdogs for non-members). Decided since he was in his second childhood and wanted to have fun, we were the group to join for outdoor activities, camping, biking, etc.

Libby Morningstar - Went on the Rochester bike ride and found everyone very friendly. Since she wants to be around people who have fun, she joined. She was impressed with all the stuff we do and is interested in the volunteering work also.

NOTE TO ACTIVITIES CHAIR PEOPLE – It seems like most people I talked to really appreciated all the things this group does, so if you aren't feeling appreciated you should, word is out you "guys" are going a great job. Thanks from all of us... well at least from me; the rest should tell you themselves!

Stratford Festival Weekend

July 29-31, 2011

About the Musical

The zeal with which Christ's followers are hailing him as the Son of God has become a source of dismay to his disciple Judas Iscariot. Fearing that this tide of religious fervor will provoke brutal repression by the occupying Romans, Judas must make his fateful choice between faith and betrayal. The Greatest Story Ever Told is a groundbreaking rock opera that reinvented musical theatre for the modern age.

The trip includes: 2 nights lodging at a Bed & Breakfast, tickets for the Saturday 8pm Performance, A+ seating. This will be a drive up weekend. Car-pooling is advised. Checking in time is 3pm on Friday July 29th. If you would like to arrive earlier please notify me. Rooms are Double occupancy. Breakfast Saturday and Sunday morning. April 14, 2011

Dear Volunteer,

As you may know, this week is National Volunteer Week. This is a perfect opportunity for us to recognize and thank you for all you do for Grace Centers of Hope and its residents. You have helped us in incredible ways with a wide range of services. You are part of our army of volunteers which exceeds 10,000.

The plain fact is that, without you, we could not provide our residents with the critical rehabilitation services they need and God would not have become a significant part of their recovery and lives. What you have given us is the most precious commodity in life – your time. Although you can never get it back, you have invested it in a way that guarantees very significant returns.

The enclosed bookmark is a token of our appreciation. We hope it will remind you from time to time how much we appreciate you and what you do for us and also cause you to feel some pride and satisfaction for helping us help others.

May God Bless You,

Pastor Kent Clark, Chief Executive Officer

Mike Maslyn, Director, Volunteers

Darin Weiss, Chief Operating Officer

Rachel Leas, Volunteer Coordinator

Serving those in need since 1942

What we do at The Grace Center of Hope is help with some preparation of the meal, prep the dining hall, serve and help clean up. This is a nice facility that houses men, women and a few families with children. The people at this location are in a one year program for getting their lives back on track.

I hope you will join us some time in helping out. We normally work the last Wednesday of the month, we start at 4:30 pm and are out around 6:00 pm. We may be taking some time off during the summer months but several of us still plan on working, because we enjoy it that much. Hope to see you...
