

MEMBERSHIP RENEWAL TIME!

It's that time of the year again to renew your GMSC Membership.

A Membership Application is included in this newsletter. You need to fill-out and SIGN the form, then return it with your renewal fee by September 30. There is a discount for renewing (vs. a new membership). After September 30 all will have to pay the "new" member fee.

So save yourself a few bucks and renew on time!

All members get the newsletter emailed directly. If you choose the option to have a printed newsletter mailed out, the fee is being increased from \$5 to \$10 (in addition to the member dues). The actual cost to mail one member a newsletter for a year is about \$18. The club is still covering part of that cost, but we are asking members to cover approximately half of it.

You can mail your renewal to the address on the form, or bring it to any GMSC event and turn it in to our Membership Chair, June Siehda (or any board member).

DON'T FORGET: If you recruit three new members you will get your membership for free! Simply have the new members designate you as the referring member on their member application.

PRESIDENT'S MESSAGE

As I am sitting here on the deck on this beautiful Sunday afternoon, I can't help to ponder on the thought of how wonderful the latest event of the GM Ski Club was, the Annual Picnic held on Saturday, August 17th. We had 65 plus attendees for this event.

I especially thank Darrell for his steadfast effort to organize and produce such a memorable annual picnic in recent history. Jan, his right hand woman, was there to help set up the pavilion tables and games. There were the magnificent picnic committee volunteers, Kay, Sharon, Dennis, Tom, Stan and Bernie's game provisions.

Our caterer, Big River BBQ of St. Clair, Michigan, showed up right on schedule to provide those delectable delights. Plenty of food was provided for everyone, even the late comers. A few had to take a nap on the lounge chair relishing those taste-bud favorites.

A dog show was provided by Doug Levy and his best friend, Yates. Frisbees were tossed at a fever pitch with his dog catching them in acrobatic fashion, wearing a patriotic outfit. Great show Doug and Yates!

The games were over the top with the wacky foot race, butt-head ball toss, bean bag toss, tug of war with 20 participants, frisbee toss, water balloon toss and the volleyball tournament. Prizes were abounding with the help of Sharon and Kay.

This is an example of the continued effort to give you the best value possible for your membership. I hope you will continue to frequent our events and trips coming up soon.

– **Dave Norkus, President GM Ski Club**

Huron River Day Trip

The August 3rd GMSC/Skiwi one day canoe paddle was a rousing success. In all 29 attendees rented 12 canoes and 5 kayaks. Even considering the great turnout, John Zalewski's greatest accomplishment was arranging for near perfect weather. Under sunny skies and moderate temps, we did our usual route, a nearly two hour paddle upstream with a lunch stop at the bridge at the dam. We played in the water for an hour, and began the easier downstream trip back. Both directions included the half way stop and Proud Lake Recreation Area for refreshments and more playing in the water. Afterward, several people had dinner at the Milford House in downtown Milford. Once again, great job, John!

GMSC Camp & Canoe Trip - Old Log Resort

The weekend of August 9th we headed up to the Muskegon river. We arrived to great music, which continued throughout the weekend. If you weren't there, you missed a super weekend!! The weather was great; warm days, cool nights & no rain. The river was beautiful, serene, and very relaxing. The food was plentiful and good! The conversation and antics around the campfires were fun and at times lively. The whole group seemed to blend well and many were willing to help whenever needed, making things easier for Judy & I. Thanks to all who attended and we'll see what next year brings.

– Ken & Judy

Family FunFest Recap: Games, Prizes, Family & Fun

With near perfect weather and an attendance of 70 (60 adults, 10 children), it was a day with something for everyone. Kids and adults played games side by side throughout the day.

An event of this magnitude requires the effort of many individuals, each contributing a vital part of the event as a whole. I would like to mention those who helped:

Kay Sheer – Taking care of all administrative duties including collecting the money and keeping track of attendees. Kay also brought the munchies, dip, and salsa and helped with the shopping for and planning of the prizes.

Sharon Rose – Planning children's games, shopping for prizes, planning the awards for each game, awarding all the prizes, planning children's games and making sure the kids of all ages went home with smiles on their faces.

Jan Burrows – For running the frisbee competition, and sticking by my side and helping me with nearly all aspects of coordinating the picnic.

Tom Scott – For acting as official picnic photographer, for purchasing and filling the water balloons and running the water balloon toss.

Dennis Dembiec – For running the wacky relay. Dennis was also busy for the past two months promoting this event among other clubs and groups. His efforts resulted in several visitors and their kids, with one joining as a new member.

Bernie Stevens – Contributing many of the games as well as the loud speaker which were vital for a successful day. For those who don't know, Bernie is a professional party planner, and I would encourage anyone to consult with him in planning your next party.

Doug Levy – Providing Disc Dog entertainment and

the portable generator needed to keep the music and loud speaker playing.

Yates – The wonder dog who caught all the frisbees.

Dave Norkus – Running the Bean Bag toss

Barb Phillips – Running Butt-Head game.

Don Phillips – Providing ladder golf and other games.

Stan Sawicki – Procured the use of the pavilion and ran the Tug of War.

Les Skrzycki – Running Volley Ball

I'd also like to thank Big River BBQ, who travelled from St. Clair Michigan to provide the GM Ski Club with a great value in catering the picnic.

And lastly, a huge thanks to everyone who attended, participated in the games, and made this a great day for everyone. For those who couldn't make it, you'll be able to catch up on all the fun with a slideshow at our first indoor meeting this October. Also see many more photos on our website gallery: gmskiclub.org

So now that the bar has been set, let's make next year's picnic even better. Cheers!
