PRESIDENT'S MESSAGE

I wish everyone a Happy New Year. As I look at the past year, I am very pleased with the results of our 2013 activities and trips. We sold out most events quickly and all were well attended. Your board has worked diligently to make this year memorable and worthwhile for the membership. Thank you to our board members for stepping up whenever possible to make everything run smoothly all year long.

Our ski trip to Park City sold out on the first night. We had to increase the size of the trip by 10, so we have 42 people attending this spectacular extravaganza. Teaming up with the DTE Ski Club allows us to have more people to ski with and join in on the activities. It is wonderful to see our ski numbers growing so that we can provide more great trips for the future.

I am looking forward to another great year ahead. In April, we will be electing positions for our four executive positions on the board (president, vice president, secretary, and treasurer). Please think about joining our board for 2014 to make our club even better.

Thank you for making my year an enjoyable one meeting new members and having a great time at the activities and trips that I was able to attend.

– **Dave Norkus, President GM Ski Club**
