The PRESIDENT'S CORNER

by Alan Toomey

We had our last General Meeting at the Warren Chateau in Warren. We did our best to notify all the members via postcard immediately once Mitchell's notified us that they would not make accommodations for our meeting. With little more than a weeks notice, we were able to locate ourselves at the Warren Chateau and notify the members. These circumstances were beyond our control and the Board would like to thank the membership for the good turn out last month and the patience you have given us.

New Meeting Place!

If you read the box on the front of the newsletter you notice we will be moving the General Meeting again. Note the new location, **ARRIVA ITALIA RESTAURANT**. Arriva has agreed to support our General Meetings indefinitely by providing the lower level hall. We will continue to have the DJ, Dancing, and Cash Bar. I look for this to be the "permanent" location for our meetings.

Think Skiing?

Please note in the newsletter there is an application for SKI and SKIING Magazine. These are magazines that would be of great interest to the winter activist. The magazines cover a broad range of information concerning our sport as well as places to go. This is a great price offered through the Club. See the display at the next General Meeting.

The *Ski Trips* are finalized. All members should have received the SPECIAL EDITION Newsletter with the details for the trips. If you have not, no worry. All the information is in this newsletter.

The Banner Is Found! Thanks to everyone who helped in the search.

Calendar of Events!

Please note some changes have been made to the schedule for the Black & White. It will be held Friday October 23rd, not the previously advertised date.

If you made the last General Meeting at Warren Chateau, then you found the location of the Black & White. You may have discovered it was located EAST of Mound not WEST as was published. A small important detail that I hope didn't cause too many problems for you. The directions were published correctly incorrect. All earlier publications for the Black & White Party are also in error.

Attention Non-Racers:

by Karen Brown

Have you ever wished you had gone up north more times during the ski season? Do you enjoy meeting people who have similar interests? Do you enjoy friendly competition? Do you want to improve your skiing ability?

If your answer to any of these questions is yes, you should consider signing up for the M.A.C.C. race program. The racing program provides different levels of racing ranging from AA to D together with various veteran classes. Even beginner skiers can have a great time because they are competing against people at the same level. Because a lot of beginning skiers find Superbowl too steep, there will be a new course for beginning racers (class D women and class D2 men) which will begin to the right of Superbowl and will end at the bottom of Superbowl. You do not have to commit to all races throughout the year in order to participate although I would bet if you were involved you would end up going up north more often. Racing helps you become a better skier. You can win prizes (mugs, glasses, etc.) When you place 1st, 2nd or 3rd in your class.

Racing is a great way to meet other people because you are in contact with the same people in your class each race and each race weekend. I can not think of a better way to meet people than doing something active which you enjoy doing with people who have similar interests.

The race schedule includes four weekends at Boyne Mountain and one weekend at Searchmont (see the calendar of activities). If you are interested in signing up or would like more information, please call Karen Brown or come to the October meeting.

More Racing News

The racing season is rapidly approaching. You should have received a newsletter from the MACC together with a racing application by this time. We have also sent out an application to last year's racers in case you did not receive one from the MACC. Please fill out this form and return it to me, with your check payable to MACC, prior to November 5th to get the \$40 rate. After November 9th, the racing fee will be \$60. If you do not receive a racing application from the MACC or the GM Ski Club please contact me at (248) 693-2042 or come to the October meeting and I will provide you with a form.

There will be a new course for beginning racers to the right of Superbowl and will end at the bottom of Superbowl. This course will be for class D women and a new class, D2, for men.
